## **CHAIRMANS REPORT – SEASON 2009/2010**

As I look back on my fourth year as Chairman, I have to repeat what I have said every now, that I am staggered by how much we have achieved in the last 12 months and that we have continued to develop, broaden, and at the same time strengthen our Club. This is entirely due to the dedication and commitment of the Committee and Officers who deserve a huge pat on the back for the professional way they tackle every challenge and new development – they have been tireless.

There is also a growing core of young players who are giving their time back on a voluntary basis through officiating and assistant coaching, and it is extremely important that we nurture these people as they are the officers and committee of the future.

This leads me nicely into a subject that we need to look at next season – contingency plans. Personal circumstances have brought home to me that we never know what is around the corner and that we need to have plans (or at least ideas) to mitigate any disaster that may hit us, be it financial, logistical, or perhaps crucially personnel.

I think this year we have actually had more on-court success than ever before. More silverware, more honours, and some great achievements where we just missed out. The Ladies team in particular being a case in point.

Our foray into National Competitions continues to improve the reputation of the club with Flyers in the Founders Cup, the U18 ladies and U18 men in NL all doing us proud.

We should also not forget that this season has seen us develop our association with the Mallards who compete in the GBWBA National League under the Blackhawks name. I am very pleased with the progress we are making with our new friends and I am sure this will grow steadily in the coming season.

Our commitment to the local community, although limited by our availability, is important. We have attended and supported local events through schools, community groups, Woking Borough Council, Woking Leisure Centre and WAVS. Plus of course our organisation of the basketball event at the Surrey Youth Games over the last 4 years has received enormous praise from the officials and competitors alike. We have now stepped down from this role, and I think we have certainly ended our tenure with a resounding.... “now follow that if you can!”

The Club has a firm financial footing but we cannot afford to be complacent. As we predicted this time last year, we have had less income through external cash awards, and have had to rely more on club generated funds. We have however increased our assets this year in buying new kit for various teams and additional portable scoring equipment. Our aim will be to continue to deliver the highest quality Basketball for our members at the lowest cost we can, but some increases may be unavoidable in the season to come.

I hope you all enjoyed the season as much as I have and I look forward to another great one ahead.

Ps. I have just heard on the grapevine that we have crept back in at number 25 in the England Basketball top 25 clubs list – go Blackhawks!!

Keith Farmer, Chairman, 28<sup>th</sup> June 2010
